# 2018 PROGRAM AND TRAINING CONFERENCE

## CLASS DESCRIPTIONS

[SeattleBSA.org/PTC](http://SeattleBSA.org/PTC)

### 101 Den Leader (& assistant)

**Training—** (3 Sessions, take EITHER 101 or 401) Learn about running a den meeting with the Adventure program. Learn about Cub advancement, behavior issues, and how to have fun with Cub Scouts.

### 102 Cubmaster (& assistant)

**Training—** (3 Sessions) Learn about your role in the Pack as a Cubmaster, Assistant Cubmaster, or prospective Cubmaster. This class shows what it takes to be a Cubmaster, including roles of the Cubmaster and Assistant Cubmaster, the Cub Scout advancement program, the importance of Pack program planning, planning a Pack meeting, the Cubmaster Award, and how to succeed as a Cubmaster.

### 103 Den Chief Training—

(3 Sessions) One of the positions of responsibility a Scout can hold is den chief. This course is for current and future den chiefs. They will learn their duties in the Cub Scout program while learning the leadership, organization, and problem-solving skills needed for success.

### 104 Scoutmaster (& assistant)

**Training—** (6 Sessions) This leader-specific training is for Scoutmasters, Assistant Scoutmasters, and interested parents. Learn how a 'Scout-led' troop operates. Have confidence managing the Scoutmaster role. Learn about the resources available to ensure success. (Scoutmasters and assistants will also need Introduction to Outdoor Leader Skills to recharter.)

### 105 Troop Committee Training

**PLUS—** (3 Sessions) This leader-specific training is for everyone on the Troop committee and parents (and is useful for Scoutmasters and assistants). It provides an overview of all the positions of the committee and how they contribute to the success of a Troop. The PLUS? Tips on how you can take this training back to your unit as a team-building training for YOUR committee.

### 106 Venturing Advisor (& associate) Training—

(4 Sessions) Learn about your role as a guide to young adults running a Crew. This is the position-specific training for all Crew Advisors and Associate Advisors. Appropriate for Crew Committee Members and parents as well.

### 107 Crew Committee Training—

(2 Sessions) This leader-specific

training is for everyone on the Crew committee and parents (and is useful for Advisors and associates). It provides an overview of all the positions of the committee and how they contribute to the success of a Crew.

### 108 Sea Scout Training—

(5 Sessions) Sea Scout Adult Leader Basic Training is the first step in training for all Sea Scout leaders focusing on the skills and attributes necessary to be an effective advisor in the Ship's deliverance of service to youth in your specific geographic location. It is intended primarily to enhance individual knowledge of and connectivity with the strategic plan, program and resources, while emphasizing personal skills necessary for the development of youth in the Sea Scout program.

### 109 Unit Commissioner Training—

(3 Sessions) Learn why we have commissioners, the basics to be effective, top priorities, and helping the unit succeed in delivering a quality Scouting program.

### 110 Wilderness and Remote First Aid—

(6 Sessions, Outdoors, plus Nov. 2-3 at Camp Pigott) This 16-hour hands-on training is designed to prepare you to systematically deal with any accident or first aid emergency when you and your group are more than one hour away from Emergency Medical Services. The final part of this training will be Friday evening - Saturday, November 4-5 at Camp Pigott. Youth must be at least 14 years old. Come prepared to spend most of the day outdoors in fall weather. Bring a day pack with the ten essentials and a blue foam pad. To complete the class and be certified you need current CPR certification. The cost of the Program & Training Conference with this class is \$65 (youth and early signup discounts do not apply).

### 111 Planning an Engaging Cub Scout Program—

(1 Session) Come and learn how to plan and budget a compelling and engaging year of Cub Scouting.

### 112 Map & Compass Essentials—

(1 Session, Outdoors) Learn some great tricks and techniques for teaching map and compass skills to your Scouts.

Through fun games and hands-on activities, they'll master these essential skills. Please bring your own compass. Class will be held outdoors.

### 113 **New!** Bear Carnival—

(1 Session, Bear Rank Adventure) Fun events, creative ideas, planning tips and tricks, how to have the scouts lead the way, etc...

### 114 Scoutbook for Cub

**Scout Packs—** (2 Sessions) **ALL** Scoutbook delivers a suite of easy-to-use Web-based tools that are helpful to both Scouts and unit leaders. It enables units to better communicate, update records, and manage activities. It can also be integrated with our membership system, simplifying the way our members can track their advancement throughout Scouting. As Scouters, unit leaders, and volunteers, you will now have mobile access to what's happening across our organization and will be able track your Scouts' progress in real time.

### 115 Understanding Teenage

**Boys' Learning & Behavior—** (2 Sessions) Ages and stages of brain development, emotional maturity, best teaching styles, and effective models of instruction. Meant to help both adult Scouters and any youth understand what is behind boy behavior and to help them take that into consideration when planning the teaching and guidance of youth.

### 116 **FUNDamentals of Training—**

(3 Sessions) This class **ALL** introduces teaching techniques and skills that can be used when working with the youth in a unit or with adults. It is designed to help all Scouters, both youth and adult, to be more effective instructors. This is the first part of the Train-The-Trainer continuum (T3, or T-Cubed) in the Boy Scouts of America.

THANK YOU

**Sean Baker**

for all our GREAT patches!

### 117 **Expanded!** Patrol Cooking—

(2 Sessions, Outdoors) Tired of seeing Scouts breaking out the 'top ramen' for dinner? Come learn about menu ideas, cooking without utensils, and other ideas to enhance your unit's cooking skills.

**118 Training the Youth Leadership of the Troop**— (5 Sessions, for Adults and Youth) This instructional ILST (Introduction to Leadership Skills for Troops) is designed to help units put on the training for themselves. Participants will learn leadership skills and get ideas on how to teach them from some of the very best instructors in the council – our NYLT staff. For the troop to get the most out of this training, it should be attended by the youth and adult who will be doing and overseeing training in the troop.

**119 Backpacking**— (2 Sessions) Learn the basics of backpacking. Topics include gear, clothing, food, Outdoor Ethics (Leave No Trace), gender-specific tips, and other useful information.

**120 Trail to Eagle**— (2 Sessions) Join us for a lively presentation on how to navigate through the documents and requirements to become an Eagle Scout!

**121 Expanded! Backpacking & Camping for Women**— (2 Sessions) This is an information sharing session on the ins and outs of backpacking and camping for women. All ages & experience levels are welcome. Learn from experienced female backpackers. The more ideas, the better.

**122 Dutch Oven Cooking Basics**— (2 Sessions, Outdoors) Learn the basics required to cook with a Dutch Oven. Get recipes and resources and even sample some cooking. Class will be held outdoors.

**123 Cooking & Menus in the Back & Frontcountry**— (2 Sessions) Create balanced menus and inexpensive backcountry meals. Learn to dehydrate food, determine quantities, repackage, store, and prepare. Sample menus will be presented for weekend and week-long outings.

Not planning on a class one session?  
Visit the Midway!

**124 New! Bicycle Touring, Local to International**— (2 Sessions) Learn how to help your Scouts plan, prepare, and lead a high adventure bicycle tour. We'll cover

[SeattleBSA.org/PTC](http://SeattleBSA.org/PTC)

route planning, gear, preparation, and logistics. Think Olympic Peninsula to Switzerland.

**125 First Aid I - Making First Aid REAL**— (1 Session) Let's face it, First Aid merit badge training mostly focuses on simple skills like how to splint an arm or put on moleskin. Come learn techniques you can use to take your Scouts to a new level by actually teaching them how to handle emergencies. Leave with an outline, scenario descriptions, and supporting materials you can use to plan and conduct a First Aid 'disaster training' that will become your Scouts' favorite event. Attendees are encouraged to take 524 (Bloody First Aid Disasters Your Scouts will Love).

**126 New! ILSC Train the Trainer**— (4 Sessions, for Venturing YOUTH) This train the trainer class will prepare Venturing Youth Leaders to train ILSC within their Crews. We will review the ILSC syllabus, discuss appropriate and original ways to present the material and brainstorm activities to make the ILSC training a fun and engaging activity. Participation in this class will meet the ILSC requirements.

**127 Project Management Training**— (2 Sessions, for Venturing YOUTH) Learn how to plan and safely execute a project that achieves your objectives and gets the job done on time and in budget. This is a required class for the Pathfinder Award.

**128 Time Management and Goal Setting**— (1 Session, for Venturing YOUTH) Finding a successful time management strategy depends on each individual's personal ability to self-motivate and level of self-discipline. This course introduces established methods for improving a youth's ability to effectively manage a daily timeline in his or her life. This is a required class for the Discovery Award.

**129 Expanded! Serving Scouts with Special Needs**— (2 Sessions) This course will provide Commissioners and unit leaders with tips and ideas that promote inclusion of Scouts with disabilities, medical conditions, and aggressive or inattentive behaviors. Learn techniques on how to involve and manage youth to get better cooperation for smooth-running meetings.

**130 Fox Hunt**— (1 Session, Jamboree on the Air) Use radio location techniques to find a hidden transmitter, aka "the fox." These are the same techniques used by search and rescue.

The **JAMBOREE-ON-THE-AIR**, or JOTA, is an annual Scouting event that uses amateur radio to link Scouts around the world, around the nation, and in your own community.

**131 Radio Room**— (1 Session, Jamboree on the Air, sign up for any session) Come visit the JOTA (Jamboree on the Air) Radio Room. There will be several activities you can sample during the hour.

**211 Building a Successful Cub Scout Recruitment Plan**— (1 Session) Learn all about today's parents, "the Millennials," and how Scouting can fit into their family goals. Explore the use of social media and experience-oriented Scouting events to give an unparalleled experience to new and current Cub Scout families.

**212 Backyard Adventures**— (1 Session) Explore the wilds of your own backyard: urban hiking and camping, 'campfires', nature conservation, and weather watching.

**213 Make it Move!**— (1 Session) Have fun tinkering with Rube-Goldberg machines and Robotics in this introductory class to Bear Electives 'Make it Move'\* and 'Robotics'\* Be the den leader all the kids remember! \*Satisfies Nova requirement.

**225 First Aid II - Bloody Disasters Your Scouts Will Love**— (1 Session) Want to get your Scouts excited about learning how to handle First Aid Emergencies? Come learn how to use simulated accident scenarios to liven up your First Aid disaster weekend training by using moulage (makeup) techniques to simulate bloody wounds, broken bones, hypothermia, bee stings and more. We'll send you home with handouts and instructions that you can put to use in your Troop. Your Scouts will LOVE IT. Attendees are encouraged to take 125 (Making First Aid REAL).

**228 New! All about the 'Youth'—** (1 Session, for Youth 11 and older) This class, for youth 11 and above, looks at Youth Protection from the Youth's point of view. We'll discuss the importance of the buddy system, review appropriate adult/youth boundaries and discuss some of the dangers to be aware of 'on line'. 

**230 Ham Radio and Scouting—** (1 Session, Jamboree on the Air, take EITHER 230 or 530) Ham radio has been a part of Scouting since 1918 and the Wireless merit badge. Learn about how ham radio is more important today than ever, how to incorporate radio into your unit, Morse code and radio operator insignia, the largest Scouting event in the world (Jamboree on the Air), and merit badge opportunities. **ALL**

**231 Radio Room—** (1 Session, Jamboree on the Air, sign up for any hour) REPEAT of Class 131. Come visit the JOTA (Jamboree on the Air) Radio Room. There will be several activities you can sample during the hour. **ALL**

**Visit the PTC Scout Shop!**  
It is open all day in the  
**GREEN** room.

**307 Starting a New Crew—** (1 Session) Curious about Venturing – the Scouting program for youth ages 14-20? Would you like to learn how easy it is to start a Venturing Crew? Maybe you have already started a Crew and need some pointers on what does and what doesn't work? Come check out this class and learn about Venturing - the Scouting program that opens the doors of limitless possibilities to all of our youth over 14 years old. 

**311 Roadmap to a Stronger Pack—** (1 Session) Ensure your Cub Scout Pack is strong and thriving for years to come. Learn strategies for parent volunteer recruitment, planning, and how to leave a legacy for your next unit leaders. 

**312 New! Cub Scout Nova Awards—** (1 Session) Come explore ideas for activities your den and pack can use to help the Cub Scouts earn these exciting Awards. 

**313 Cub Scout Knots—** (1 Session) Learn how to introduce this important skill to Cub and Webelos Scouts. 

[SeattleBSA.org/PTC](http://SeattleBSA.org/PTC)

**314 New! Cub (& New Scout) Gear—** (1 Session) What you should know before you start buying your Cub Scout camping and hiking gear. 

**317 New! Growing Scouts into Leaders—** (1 Session) Just as we don't teach swimming by throwing a Scout off the end of the pier, but by building the skills needed; we have to teach leadership skills. Learn how to set the Scouts up for success by coaching and mentoring them in their leadership roles. 

**319 Ultra Light Backpacking—** (1 Session) Discussion will include types of gear, places to find ultra-light gear, costs, and age appropriateness. 

**321 Introduction to Shooting Sports—** (1 Session) Learn about rifle, shotgun, muzzleloading, archery, and pistol shooting opportunities at the unit, district, and council levels, as well as certification and training opportunities for volunteers. 

**322 Learn About Sea Scouting—** (1 Session, includes a ride on a Ship, later) This valuable session provides an overview of the Sea Scouting program; how it operates and where to find the active ships, and learn about fun and challenging activities your unit can do with ships. Participants will have the opportunity to visit a Sea Scout Ship at a later date. 

**323 Using Arduino Kits for Electronic & Programming MB—** (1 Session) Arduino (see <http://www.arduino.cc>) is an open-source electronics platform based on easy-to-use low cost hardware and software. Arduino boards can read inputs - light on a sensor, a finger on a button, or a Twitter message - and turn it into an output - activating a motor, turning on an LED, publishing something online. It's an outstanding platform for learning about both electronics and programming. This session focusses on how to use Arduino at the core of teaching the Programming and Electronics merit badges, and focuses on available resources that Leaders with an interest in these subjects can use to effectively deliver these merit badges. 

**324 New! Introduction to International Scouting—** (1 Session) For almost as long as there **ALL**

has been Scouting, it has been international. Learn about some of the opportunities International Scouting offers our own Scouts.

**325 What OA Can Do for Your Troop—** (1 Session) The Order of the Arrow provides a venue for your Scouts to further practice their leadership skills and to learn about the exciting activities from members of other troops. When they bring this practice and knowledge back to your troop, you will benefit from improved youth leadership and new program ideas to excite your scouts. 

**327 New! Running a Successful Crew Meeting—** (1 Session, for Venturing YOUTH) Learn about balancing business with fun at your meetings, and get ideas for opening ceremonies and activities. 

**328 New! Conflict Management—** (1 Session, for Venturing YOUTH) Even the most effective communicators experience conflict. This class will examine some common pitfalls, and practice ways to avoid them. 

**329 LGBTQ Resources for Leaders—** (1 Session) Learn about resources available to Scout Leaders serving LGBTQ youth and their families. Includes a discussion of recent BSA policy changes. **ALL**

**330 Electronic Kit Building—** (1 Session, Jamboree on the Air) Come learn a bit about electronics and build a kit. This is not the electronics merit badge. We cover it a different day. See [www.woodinvilleARESgroup.org](http://www.woodinvilleARESgroup.org) for more info. **ALL**

**331 Radio Room—** (1 Session, Jamboree on the Air, sign up for any session) REPEAT of Class 131. Come visit the JOTA (Jamboree on the Air) Radio Room. There will be several activities you can sample during the hour. **ALL**

**DON'T MISS IT! The Midway will be packing up during Session FIVE.**

**401 Den Leader (& assistant) Training—** (3 Sessions, take EITHER 101 or 401) REPEAT of Class 101. Learn about running a den meeting with the Adventure program. Learn about Cub advancement, behavior issues, and how to have fun with Cub Scouts. 

**402 Pack Committee Training—**  (3 Sessions) Make sure your Pack thrives with a strong Pack Committee! Objectives include defining the role of the Pack committee, makeup and functions of the Pack committee, recruiting leadership and volunteers, record keeping, and the Pack planning process.

**403 Chartered Organization Leaders & Representatives Training—**    (2 Sessions) This class helps chartered organization leaders (Institution Heads) and chartered organization representatives explore ways to make their Scouting programs more effective. It explains the chartered organization concept and allows participants to provide ideas for integrating Scouting with existing youth programs.

**405 How to Integrate Older Boys Into Your LDS Troop—**   (1 Session) Learn how to retain older LDS youth in your Troop once they no longer have a Team or a Crew, without taking opportunities away from the younger Scouts.

**407 Games, Games, & More Games!—**   (2 Sessions) Learn about, and play, some themed games! Includes gathering games, games that pair well with den meeting achievements, and quiet games that the Scouts can play while they're waiting on field trips.

**409 District Commissioner (and ADC) Training—**  (2 Sessions) Learn to be a more effective District Commissioner or Assistant District Commissioner, supporting Unit Commissioners as they help their units deliver a quality Scouting program.

**WHY GO TO WOOD BADGE OR NYLT?**

Stronger units, stronger families, stronger individuals at work, church, other organizations!

**411 New! Making Cub Scouts Welcome—**   (1 Session) The New Member Coordinator is another Cub Scout parent who helps keep new families informed about what is happening in the den and pack, and feels more approachable and less intimidating to new parents than a uniformed leader might, not just right after new Cub Scout join, but for as long as they are needed.

[SeattleBSA.org/PTC](http://SeattleBSA.org/PTC)

**412 Cyber Chip for all Ages—**  (1 Session) Our young Scouts have never known life without computers or the Internet, so it is critical that they know how to safely navigate the Web. The Cyber Chip program builds on BSA's commitment to youth protection. Learn how your unit can get the most out of this program to keep kids safe.

**413 New! Girls in Cub Scouts—**   (1 Session) Come learn the latest information on Family Scouting from the national office and how Packs are making this exciting new program work.

**414 Mad Scientist!—**  (1 Session) Out of your league with science and technology? Learn how to make science fun with some simple experiments.

**415 Drug & Alcohol Awareness for Scouts—**  (1 Session, 2nd Class Req 9a for Youth) This class fulfills the Second Class Requirement 9a: Participate in a school, community, or troop program on the dangers of using drugs, alcohol, and tobacco.

**416 Roadmap to a Stronger Troop—**  (1 Session) Ensure your Troop is strong and thriving for years to come. Learn strategies for parent volunteer recruitment, planning, and how to leave a legacy for your next unit leaders.

**417 New! Mountaineering—**    (1 Session) Learn about Scout Mountaineering - climbing the Cascade Volcanoes.

**419 Integrating STEM into Scouting Programs—**   (1 Session) Our area is a hotbed of Science and Engineering. Learn techniques to integrate STEM into your program to take advantage of local resource and attract new youth.

**420 New! The Troop's New Member Coordinator—**  (1 Session) More youth drop out in the first 3 months after joining a troop than at any other time. The New Member Coordinator is another Scout parent who helps keep new Scouts and their families informed about what is happening in the troop and makes them feel welcome, not just right after the new Scout joins but for as long as they are needed. This person may feel more approachable and less intimidating to

new parents than uniformed leaders might.
