A lifetime of skills in just 6-days!

Leadership ● Teamwork ● Challenges ● Learning

Courses offered in June, July & August

NYLT

NYLT enhances your leadership journey in Scouting through peer led training and adult guidance. It provides valuable skills and experiences for Scouting and life, fostering strong bonds and lasting memories. Delivered in an outdoor troop and patrol setting, participants are grouped by gender to encourage friendship and teamwork. Activities, presentations, and challenges reinforce collaboration as patrols work together throughout the program.

To find out more at <https://bit.ly/cscNYLT> this and all in-council camps qualify for camperships download the form at <https://bit.ly/csccamperships>. For questions or assistance with registration contact the camping department at campingdept@seattlebsa.org.
