# Second encounter: Wolf den

- Completed Cyber Chip, talked about Scout Oath and Law and online safety
- Used IRC to chat with many Scouts
- Used Skype to do a video call with a Girl Guide and her mother in Colombia
  
- Convinced a visiting youth to join the pack
- Caution: our Church's internet was down! We had to use phones as hot spots

# Third encounter: Pack STEM event

- Hosted by Kirkland pack at Major Internet Company on Saturday
- Parents brought laptops and headphones
- Used IRC to chat with many Scouts
- Lots and lots of STEM activities for each rank; NOVA and adventures
- Hour of code, several robot-based activities, rekeneks, more
- One goal of a Wood Badge ticket

# Fourth encounter: international Zoom

- My online friend is a Cub leader in England
- Arranged to meet during JOTI: 9am our time, 5pm their time
- 7-8 youth from both Packs met
- Showed off neckerchiefs and shared their favorite badges
- Asked lots of questions about favorite foods, what they do for fun
- Explored maps of where we meet
